I do not need that to include parking although a reasonable parking fee in the lot across the street from the pavilion would be a good option. I have been going to the Pier beach for 79 years. | 9/1/2021 6:54 AM |

| 90 | I found the selection to be good. I'd prefer a few more "healthy" and lighter options. As tempting as ice cream donuts are, not really the kind of food I like to eat when in bathing suit and actively swimming/surfing at the beach. More wraps, veggie, hummus, etc would be preferred. | 21 | I went to the beach often however there were some days I just felt too afraid. There were too many virus particles floating around the beach this year and it really should be mandatory for everyone to wear a mask even while in the water. I understand that some people are not able to wear masks but they should be made to wear biohazard suits as a substitute. I have honestly never seen a beach with so much virus and the only time I felt safe on days I did go was when I was wearing double cloth mask over my eyes. The mask is really effective at blocking virus and to prove this just put it over your eyes and you cannot see the virus anymore. | 9/1/2021 7:29 PM |

| 1 | Parking for residents is GREAT | 9/16/2021 2:20 PM |
| 2 | With warmer weather in September I have been unable to find a parking spot in the north lot. I think that lot should be automated and keep it open for residents until the end of September. Allow free parking in the south lot after labor day | 9/16/2021 11:28 AM |
| 3 | I think more non-residents should be allowed to park in the south lot on days where there are excess spaces | 9/15/2021 11:01 PM |
| 4 | All the people before lot opens on the beach free... I have to wait until lot opens and would go earlier. Parking passes should be used until October 1. Maybe should charge for parking all year. (less during off season) | 9/14/2021 10:20 PM |
| 5 | shoulder season parking for residents | 9/14/2021 8:45 AM |
| 6 | couldn't get a spot twice on crowded weekend | 9/13/2021 2:46 PM |
| 7 | Please keep attendants on gates after 5. Worked very well | 9/13/2021 1:10 PM |
| 8 | Should keep south lot open for residents until 7pm | 9/13/2021 10:48 AM |

| 10 | Keeping the Cabana, North and South Lots for only residents and taxpayers until 8 pm will help to cut down on overcrowding and increase safety. People that access the beach illegally before it opens should not be allowed to do so. There used to be a system in place where people were checked for wrist bands and this should be reinforced. Overcrowding isn't safe or enjoyable for anyone. It makes evacuating and lifesaving more difficult as well. The facilities are dirty because of this too. | 9/12/2021 9:12 AM |
| 11 | I don't agree with keeping the north lot parking fir residents only after 5pm. Many evenings this lot was mostly empty while cars were driving around in the south lot looking for a space as it was packed. What's the point of this?? | 9/11/2021 11:33 PM |
| 12 | beach parking lot should NOT be open in the morning before staff arrives and should not be unstaffed at 5:00 or 6:00 for nonresidents to come in as they are using the faciltiies and garbage that taxpayer/ pay for. Free walk ons should not be allowed at anytime as big groups come on to beach afterhours and do not clean and tax payers are paying for the clean up. | 9/11/2021 9:51 AM |
| 13 | I really like the fact the the north pavilion parking lot remained residents only until 7:00 PM. I would, however, like to see the lots open a little earlier. | 9/11/2021 9:01 AM |
| 14 | I think there should be some - synergy with Rhode Island Salt Water Anglers Association - to offer a "dusk" pass - for 5pm till the guard leaves. I have relatives that come to fish at dusk - and can't park. It's a bummer. Make a hang tag - that allows a RISAA members to access parking starting at 5pm. | 9/9/2021 10:01 PM |
| 15 | Thank you for opening the south and west lots to the public after 5 o'clock . I feel it shows that non-resident are also welcome in Narragansett.. | 9/9/2021 6:23 PM |
| 16 | I believe the south lot, north lot and cabana lots should be for residents only until 8:00 pm every day. It is a town beach for residents! We should have this privilege. We work all day and after work want to take our families to the beach for a pizza. At 5:00 pm the lines are down the street with nonresidents trying to get into an already full lot. Residents ask very little of their government. The beach should be available to us... This will also cut down on overcrowding which is a major problem. The beach is shringing and the people who want to use our beach is increasing. There is only a finite amount of space on the beach. In order to provide a safe environment for all, residents and visitors alike, we CANNOT continue to overcrowd our beach!! Many other nearby communities have imposed limits on the number of patrons who can come onto the beach. This is similar to going to a Celtics game. When all seats are filled there are no more tickets sold. It is so unfair to all of us who pay our share to enter the beach only to see each morning at either 7:15 or 8:15 the beach being full of freeloaders who are unwilling to pay for the services our town provides!! It is a slap in the face to all who play by the rules and pay their fair share. This is insulting to all in our community. We need to check them in each morning and charge them admission or ask them to leave. Why have rules if we don't enforce them?? | 9/9/2021 2:15 PM |
| 17 | I found that keeping the parking lots for residents until 8:00 provided for town residents the opportunity to enjoy the beach after work hours and for families to enjoy the beach for dinner. Once the parking lots open the beach becomes overcrowded. I also appreciate keeping the lifeguards on duty until 6:00. | 9/9/2021 1:55 PM |
| 18 | The lot should open earlier for residents and taxpayers | 9/9/2021 11:26 AM |
| 19 | keeping two lots available for residents was great | 9/9/2021 10:49 AM |
| 20 | We liked the all resident after hour parking that we had in the 2020 beach year. We both work outside of Narragansett and loved that we could always find parking after five to bring our dinner to the beach and enjoy | 9/9/2021 10:07 AM |
| 21 | Having one lot open to non-residents in the evening makes sense and is fair. There're insufficient demand to keep the north and south lots limited to residents after 5pm | 9/8/2021 7:05 PM |
| 22 | Should offer passes for sale to NK & SK residents as well | 9/8/2021 12:42 PM |
| 23 | Staff was not very accomodating | 9/8/2021 11:45 AM |
| 24 | It is outrageous that the parking lot is not maintained for residents until the end of September. There is no reason you can't have 4 workers to maintain both lots to make it more convenient for residents. The day after Labor Day we were lucky to get a spot. | 9/8/2021 10:18 AM |

| 26 | Week after Labor Day must be better controlled by Town with same summer rules - otherwise good | 9/8/2021 8:47 AM |
| 27 | Except I think the parking lot should be open at 5 for everyone, especially the nights of food trucks | 9/8/2021 7:25 AM |
| 28 | I enjoyed the rule last year more where all residents including those without stickers could park in the lots after 5pm. | 9/8/2021 5:34 AM |
| 29 | The beach should go back to its old policies~ locking the beach down until 7 is ridiculous I regularly go at night and the resident lot is never even close to 1/2 full ~ residents love that the rule exists but only because it excludes others. | 9/8/2021 12:07 AM |
| 30 | ALL lots save for the cabana lots should be free after 5pm. Nobody owns the ocean, everyone should get to enjoy the beach. Those who come after 5 still contribute to our town economy by spending money in surrounding businesses. Restricting access to some lots beyond 5pm only acts as a barrier to less wealthy and predominantly non-white families. Narragansett beach is becoming too elitist. | 9/7/2021 11:16 PM |
| 31 | I don't like the arbitrary 10 empty spaces before people can come into the north parking lot | 9/7/2021 8:34 PM |
| 32 | Stayed away from other people as much as possible | 9/7/2021 4:50 PM |
| 33 | Lots should be restricted to residents and taxpayer till 8 pm. This is helpful for crowd control and safety | 9/7/2021 4:23 PM |
| 34 | Still having to show up early to beat weekend overcrowding. | 9/7/2021 12:59 PM |
| 35 | The Town Council should have kept the hours and rules as they were in 2020. The Cabana, North and South Lots should be for residents and taxpayers only until 8 pm. The beach was less crowded, cleaner, and safer in 2020. Our family was able to enjoy the dinner hours at the beach for the first time in years during summer 2020. Another issue is the people who access the beach for free before it opens. In past years, beachgoers were checked for their wristlets on the beach early in the morning after the beach opened. If they didn't have a wristlet, they were told to go pay. There is a greta deal of parking congestion in the Pier neighborhoods due to people coming early to get on the beach for free. | 9/7/2021 12:54 PM |
| 36 | People get on the beach for free before it opens. Staff used to check for wrist bands after the beach opened and if you didn't have a wrist band, you had to go and pay the fee. This should be re-instituted as the beach is losing money mostly from non-residents. | 9/7/2021 11:05 AM |
| 37 | Much better than prior years | 9/7/2021 9:10 AM |
| 38 | You should charge premium for non-residents to park in the big lots on slow days. | 9/7/2021 8:09 AM |
| 39 | Early beach opening and 5 - 8pm free parking is unacceptable. You go .. you pay. That's extra wear on the facilities that we all pay for one way or another. I know the current Town Council loves to give everything away for free; but much like their time in office - all of it needs to end. | 9/7/2021 7:56 AM |
| 40 | The parking lot hours allowed residents to use the beach for an extended time. I personally would like the beach to open earlier since I walk daily at 7:30. | 9/7/2021 7:17 AM |
| 41 | The lots should be free for all at 5:30 | 9/6/2021 10:03 PM |
| 42 | I believe all the lots should be staffed from 7:00 AM to 8:00PM. This allows those that are residents to take advantage of the beach after work. I went several times after work at 6:00PM and sometimes the lot was staffed and other times people were just coming in the lot because it was not staffed. The beach is spillway to crowded, it is a town beach and should be for town residents!! | 9/6/2021 8:48 PM |
| 43 | Excellent! And fair! | 9/6/2021 8:20 PM |
| 44 | Please continue current policies | 9/6/2021 7:29 PM |
| 45 | After 5pm south lot became a honky tonk pig pen/non residents overtook the lot and beach. | 9/6/2021 6:10 PM |
| 46 | It was nice they opened earlier (7:30) on weekends. | 9/6/2021 12:49 PM |
| 47 | I'd like to see the lot close at 6 pm like it did before. That policy was changed with no TC vote. | 9/6/2021 11:16 AM |

| 48 | Excellent...not have to worry about packing everything up only to turn around and drive home like the summer of 2019 | 9/5/2021 8:26 PM |
| 49 | Unfair to year round residents when the parking lot is filled with out of state cars. I suggest altering the price of parking passes for cars registered to Narragansett verses out of state. Also the planking lot should be open to non residents after 6 not 7. | 9/5/2021 11:29 AM |
| 50 | If the lots are somewhat empty after 200 pm we should allow no resident to enter and pay for parking. This way more money for our town | 9/4/2021 10:30 PM |
| 51 | I own a home in narragansett and pay taxes but have to rent a car the 5 weeks I am there and cannot get a parking pass. I live in California | 9/4/2021 6:51 PM |
| 52 | Not enough handicapped parking spaces. If you get there on weekend after 11, even with a handicapped placard, and have a locker at north beach, you need to park near the south beach. I talked with the assistant beach manager and she said there are wheelchairs to use. Not everyone who is handicapped comes with someone else. People with canes or heart conditions can come by themselves but can't park anywhere near their lockers. She was very flip about it!! | 9/4/2021 5:38 PM |
| 53 | Happy that the lots opened at 5 for folks to enjoy the evening. | 9/4/2021 12:25 PM |
| 54 | Only residents should be allowed to park | 9/4/2021 9:45 AM |
| 55 | Empty parking lots all summer long that could have allowed more RI residents to go to the beach. Seems so wasteful not to at least open the lots at some point to pay cash or allow a certain #of cars - the all or nothing - poor management. | 9/4/2021 2:24 AM |
| 56 | Great job everyone! | 9/3/2021 5:35 PM |
| 57 | Tax payers come first. It is a TOWN beach. Just like when I visit friends in New Hampshire at their TOWN beach on the lake | 9/3/2021 4:46 PM |
| 58 | I have been very pleased. Years ago we would have a season pass and not be able to get into the parking lot even very early in the am. The new policy works like a charm. Also the "scouts" directing where open spots were was brilliant. | 9/3/2021 10:47 AM |
| 59 | South, North and Cabana lots should be restricted to residents only until 8 pm. The West lot can be available to non-residents but payment should be collected until 8pm. | 9/2/2021 11:56 PM |
| 60 | The south lot should be have be staffed similar to North lot at the end of the day. It's ok to let cars without passes in but it becomes chaotic after the attendant leaves. This is especially true on Friday nights with the concerts and other events | 9/2/2021 8:44 PM |
| 61 | sell spots after lunch to non residents | 9/2/2021 7:38 PM |
| 62 | Needs some studying | 9/2/2021 3:25 PM |
| 63 | Allow residents to park early in the morning for surfing, swimming, fishing or running. | 9/2/2021 3:11 PM |
| 64 | Maybe post the sign on the sign walk when "you are not accepting Non-Pass" vehicles in the lot. Many time we have to wait on the street because NON-pass vehicles are in front of us and they want to pay for parking but can't so they make a u-turn. | 9/2/2021 2:22 PM |
| 65 | I think you should open the parking lot at 5:00pm as in the past. We would like you to think about making an entrance to the beach in the middle of the North parking lot. For older residents who must walk from the farthest spaces to the ramp to enter the beach, is very hard. There would be fewer people walking through the lot, causing congestion. There are 3 entrances to the beach from the South lot! | 9/2/2021 11:05 AM |
| 66 | You have made parking extremely difficult for those that do not reside in Narragansett | 9/2/2021 11:04 AM |
| 67 | Open south lot to everyone on week days. | 9/2/2021 8:57 AM |
| 68 | I frequently go to the beach at 5pm and never saw the north lot anywhere close to being full. It would be much more neighborly to resume the policy of ALL lots open after 5 | 9/2/2021 8:17 AM |
| 69 | South Kingstown should be included. The streets filled quickly making it difficult for business parking while the beach lots sat almost empty. People could not enjoy restaurant or a walk on | 9/2/2021 6:37 AM |

| 71 | There has to be an interim option for Wakefield residents. Honestly you could make more money if you sold a twilight season pass for \$20 (4-?) to allow Wakefield residents to park in the north lot. Win win? | 9/1/2021 10:41 PM |
| 72 | Too late enforcement for taxpayers who didn't bother to get a town beach pass | 9/1/2021 9:58 PM |
| 73 | But dissatisfied that out of town but still local friends and family no longer have access easily. | 9/1/2021 9:57 PM |
| 74 | I don't think the lots should be restricted to residents only after hours | 9/1/2021 9:52 PM |
| 75 | Very unhappy that the north lot is closed off to non-Narragansett residents and that we can't get on the beach until 5or later. | 9/1/2021 8:18 PM |

| 81 | Hoping rest rooms could be open later. Also wished the beach faucilities would be open till 9/15 | 9/1/2021 3:35 PM |
| 82 | A few times people were parked in my assigned spot with no cabana pass | 9/1/2021 3:04 PM |
| 83 | All lots should have been closed to non residents not just the Cabana and North lots. We're the Cabana & North lots closed and monitored because a specific Town Council member sits up in that area? | 9/1/2021 2:08 PM |
| 84 | My car is registered at my other house so I can't get a resident parking permit even though I live here and pay taxes here. Also, website should be more clear about timing - hours and costs for resident/nonresident parking, hours and costs to walk on beach, hours lifeguards are there. | 9/1/2021 2:00 PM |
| 85 | Expensive, double changing and the ocean should be accessible to all not just at limited hours | 9/1/2021 1:52 PM |
| 86 | The lots and beach should not have been available to non residents prior to Memorial Day weekend. | 9/1/2021 1:50 PM |
| 87 | Residents should be allowed after 5pm. | 9/1/2021 1:44 PM |
| 88 | It would be nice to be able to park once the beach "closes" for us who are working and can only come after hours. | 9/1/2021 1:17 PM |
| 89 | I think reasonable to open both lots at 5pm as it was in the past. Please consider. | 9/1/2021 1:03 PM |
| 90 | We have transferable passes and go to the beach often and the south lot was almost always empty or half empty regardless of the day or time. Until it was open to all users. Living in South Kingstown we are as close to the beach as many Narragansett residents but unable to purchase beach passes or parking passes. The town of Narragansett is far too restrictive with coastal access. It is disappointing to see the town reduce access more and more each year. | 9/1/2021 12:44 PM |
| 91 | Thanks for keeping the North Lot staffed until 7:30. | 9/1/2021 12:23 PM |
| 92 | It was great. | 9/1/2021 11:57 AM |
| 93 | All parking should be for residents only !! | 9/1/2021 11:55 AM |
| 94 | Makes it extremely hard for non residents like myself from south Kingstown to park. Lot across the street fills up early. There are some areas where Narragansett and SK share facilities such as the senior center. It would be nice if they did this for the beaches, parking lot. | 9/1/2021 11:55 AM |
| 95 | Why are gates not opened until 830, esp on HOT days! | 9/1/2021 11:55 AM |

| 97 | South Lot should not open up to general public at 5 PM, should be consistent with other lots! | 9/1/2021 11:32 AM |
| 98 | I am not a taxpayer for Narragansett, but I have been a Rhode Island resident my whole life. I used to be able to purchase a season pass, then that stopped but I was still able to park in the lot close to the beach during the week, now that has stopped. I wish they would make a few options for Rhode Island residents instead of just grouping us with all the tourists. | 9/1/2021 11:31 AM |
| 99 | To expensive for the elderly | 9/1/2021 11:17 AM |

| 101 | Staff too late especially on nights when they had concerts or movies | 9/1/2021 11:05 AM |
| 102 | So dissatisfied that as a homeowner and lifelong south county resident I have severed any business and services with Narragansett and any businesses in or run by Narragansett parties and I am not the only one. Good luck with year round businesses. I will also vote against any proposition in South Kingstown that may benefit or include Narragansett. | 9/1/2021 10:28 AM |
| 103 | Might be ok for residents and taxpayers. Terrible for your neighbors in SK. | 9/1/2021 10:13 AM |
| 104 | For years we've gone to North Pavillion after 5 and parked in the lot for free. Now? Pure money grab. | 9/1/2021 10:07 AM |
| 105 | not allowed to park here as a SK resident | 9/1/2021 9:53 AM |
| 106 | It was great to always be able to get a parking spot! | 9/1/2021 9:49 AM |
| 107 | I understand there needs to be parking available for residents. However, the lot should open to the public at a much more reasonable hour. Many people like to enjoy the beach in the early evening and used to be able to do so. The new parking lot hours seem a little excessive and overly restrictive. | 9/1/2021 9:16 AM |
| 108 | Definitely satisfied-never had an issue with parking. Hope the town keeps the same restrictions next year. | 9/1/2021 9:15 AM |
| 109 | Go back to allowing non residents to park in South lot and switching over to West. Too much confusion and too many traffic jams as a result. Also there were days where North lot was monitored in the evening and South lot was left unattended. It was a free for all and many accidents and traffic jams occurred here during that time. If North lot is monitored in the evening, so should South lot. This was also in the middle of the summer when the beach was at full staff. | 9/1/2021 9:11 AM |
| 110 | Residents should come first. | 9/1/2021 9:03 AM |
| 111 | We live in SK and have shared so many playing fields etc with Narragansett then have to be told we have to pay full price at beach is very frustrating | 9/1/2021 8:44 AM |
| 112 | We went for surf lessons on a Wednesday. Couldn't park in the almost empty lot because it was for "residents only". It bordered on ridiculous. | 9/1/2021 8:34 AM |
| 113 | Closing the lot past 5 pretty much ruined summer evenings for a lot of locals. We're not residents but I can see the town from my SK property and it's just sad and discriminatory | 9/1/2021 8:30 AM |
| 114 | I frequently would see the lot at half capacity and refusing to let fellow Rhode Islanders in. | 9/1/2021 8:25 AM |
| 115 | Absolutely unacceptable- we have spent \$\$\$\$ renting houses for a week over the past 37 years. Spent money at all local businesses. Ridiculous that we can't park at one of the lots when they're empty! Unfortunately, looking to vacation somewhere else. | 9/1/2021 7:47 AM |
| 116 | Not enough visitor/non-resident parking! | 9/1/2021 7:40 AM |
| 117 | I find the parking policy ridiculous and discriminatory. We should be welcoming all to enjoy our beautiful beach. With the rates and restrictions | 9/1/2021 7:35 AM |
| 118 | Hours could be later...8pm | 9/1/2021 7:07 AM |

| 128 | Thank you for allowing me to purchase transferable passes for family members. However, those family members have no place to park. As a senior citizen, I am in the position of having to drop them off (infants and babies in tow) and it has become quite burdensome. Please consider allowing some small amount of parking designated for RESIDENT family members who use the transferable pass. The drop off area is often congested. Thank you. | 9/1/2021 3:19 AM |

| 130 | All lots should be open to all after 5. Transferable and daily passes too expensive | 8/31/2021 11:06 PM |
| 131 | Not enough hybrid spots and very crowded at times. | 8/31/2021 10:49 PM |
| 132 | Public should have access to not only the shoreline but the parking. It was more than disheartening to see empty lots on beautiful summer days. This is incredibly selfish and down right wrong if the town. | 8/31/2021 10:37 PM |
| 133 | Parking lot was often not manned towards end of summer. | 8/31/2021 10:36 PM |
| 134 | The only people this impacted negatively were sk families. All of the teenager groups still got dropped off to loiter. Narr residents use sk resources but apparently it's not reciprocated. | 8/31/2021 10:29 PM |
| 135 | I appreciate having the South Lot available to residents only. | 8/31/2021 10:06 PM |
| 136 | Preferred the 8PM rule | 8/31/2021 10:00 PM |
| 137 | I love that I can always get a parking spot as a resident | 8/31/2021 9:39 PM |
| 138 | Non resident | 8/31/2021 9:27 PM |
| 139 | It's really frustrating when the South lot is 100% full after hours, and the north lot is virtually empty, but as a SK resident I can't park in the North lot. I spend lots of \$\$ in Narragansett! I | 8/31/2021 9:19 PM |
| 140 | Neighboring residents should be permitted to use the lots. | 8/31/2021 9:04 PM |
| 141 | Too restrictive | 8/31/2021 9:01 PM |
| 142 | South Kingstown residents shouldn't have to pay ridiculous prices | 8/31/2021 8:53 PM |
| 143 | Hrs for residents not long enough | 8/31/2021 8:42 PM |
| 144 | Parking lots should be for residents only until 7:00 | 8/31/2021 8:36 PM |
| 145 | We need to not let NON-RESIDENTS into our lots until after 7:00! | 8/31/2021 8:32 PM |
| 146 | You're being piggish with the parking and cost...totally unnecessary | 8/31/2021 8:29 PM |
| 147 | While I understand protecting access for Narragansett residents is critical, the reality is that the vast majority of pass holders are seasonal residents. As a result of your policies, surrounding residents like those of us in South Kingstown, who support the town year round, have limited access and ability to enjoy the beach. Instead your lots are overrun with more affluent part time residents. You should consider a way for surrounding south county residents to have greater access. | 8/31/2021 8:21 PM |

| 149 | Non residents should be able to access the beach after 3:00 | 8/31/2021 8:16 PM |
| 150 | I like that I can park but to the limited parking for guests, not able to host family and friends | 8/31/2021 7:53 PM |
| 151 | Tax payers had priority which is at it should be | 8/31/2021 7:16 PM |
| 152 | Would like to see a resident/taxpayer lot continue | 8/31/2021 7:10 PM |
| 153 | I feel that both lots should be open to the public at 5 | 8/31/2021 6:59 PM |
| 154 | The pass requirement til 8pm is so great! My car was a victim of a hit and run a few years ago because chaos would ensue after the attendants left. | 8/31/2021 6:57 PM |
| 155 | I think it should be free to all at five everyday in all lots | 8/31/2021 6:50 PM |
| 156 | I like that of of the lots is only available for residents after 5:00 | 8/31/2021 6:16 PM |
| 157 | I am only dissatisfied with the issue in the North Lot when it seems like almost every time I am turning in, especially on a weekend, someone without a parking sticker is turning in before me and asking lots of questions to the staff. I understand it can be confusing and the staff is always trying to be helpful, but it is frustrating. Maybe more signs, clearly stating "do not turn in without pass"? One day when I was leaving, it was also happening from someone who had turned around. I love the beach and I am a patient person, but when I get there I want to be on it, and when I'm done, I want to be on my way home. | 8/31/2021 6:14 PM |
| 158 | Loved the late parking lot closings | 8/31/2021 5:49 PM |
| 159 | The question as worded seems geared to assess resident satisfaction only. Evening parking for non-res should always be available after 5 or 6. | 8/31/2021 5:41 PM |
| 160 | Very happy that (1) residents can park 5-8 PM without a pass, (2) only residents can park in North and South lots during main part of day. | 8/31/2021 5:27 PM |
| 161 | Tax payers should enjoy longer hours before closed to public | 8/31/2021 5:26 PM |
| 162 | very often the 3 "free" spaces for the second cabana parking (near the south side of cabana lot nearest to concession stand) were occupied by employees or people with no pass at all | 8/31/2021 5:12 PM |

| 164 | Please keep parking for the Town of Narragansett Residents | 8/31/2021 4:50 PM |
| 165 | Weds to open earlier | 8/31/2021 4:49 PM |
| 166 | Last year with the lot not opening at 5:00 crowds were much lower | 8/31/2021 4:38 PM |
| 167 | Seems wasteful to not open lot or some of it to nonresident during the weekdays | 8/31/2021 4:29 PM |
| 168 | Still believe we should charge non residents more. This is not a state beach. | 8/31/2021 4:19 PM |
| 169 | The amount of out of state people who move here are baffling. I've seen plates from all over in the lot this year. I don't think it's necessary to keep attendants in any of the lots after 5pm unless it is a special event. I live right around the corner from the beach and at no time did I see hardly any cars in the cabana lot, yet one attendant sitting there. Also, when I worked at the beach over 20 years ago we would be sent home if there was inclement weather. Now on a rainy day days the beach has attendants. | 8/31/2021 4:12 PM |
| 170 | Some weekends are still difficult to gain parking as a Narragansett resident. | 8/31/2021 4:09 PM |
| 171 | Please don't change them - Residents should have priority | 8/31/2021 4:03 PM |
| 172 | The parking lot should be opened to no residents earlier in the day. Federal funds were used to restore the parking lot and beaches repeatedly- the pay structure between residents and non should not be so steep. | 8/31/2021 3:57 PM |
| 173 | Parking in South Pavilion until 8 for town residents | 8/31/2021 3:52 PM |
| 174 | There should be a charge and better organized after 5 | 8/31/2021 3:50 PM |

| 179 | So many people walk on the beach before it opens. The town should make the opening times earlier on the weekdays too. This is lost revenue. | 8/31/2021 3:37 PM |

| 195 | I would like to have the lots open at 5p again. We often have met local, but not Narr friends in the past, but now they cannot get in. | 8/31/2021 1:48 PM |
| 196 | There were most times many parking spaces unused. I don't know how you could allow nonstickered cars in and still be sure to leave space for the stickered cars. | 8/31/2021 1:36 PM |
| 197 | Do not use parking lot | 8/31/2021 1:22 PM |
| 198 | I am extremely happy with the parking situation during the day. You guys have done an excellent job ensuring residents/pass holders have adequate and convenient parking ... and the parking attendants, for what's really a miserable job, always wave, smile, and are polite ... even when they have to deal with the out of town a-holes from time-to-time. Those kids are unbelievable great and should be commended and thanked for doing such a good job at such a crappy position. Now, what I don't care for is the train of cars the start piling in at 5:00pm. Now I am all for open beaches, water access, etc, but tax payer money and beach receipts collect pay for the maintenance and upkeep of the sand, the facilities, and everything else that makes NTB the nicest beach in RI. It really irks me when I see everyone online saying the beach is open and free at five and so many cars come rushing in, all with food and other items that then fill up the trash cans, and in some cases get left on the beach to be cleaned up later. I strongly implore you to charge a reduced fee for after 5. Sell parking passes at a discounted rate. I mean come on, the people who come rushing in our not destitute and could could easily pay a reduced rate that helps support the maintenance and upkeep of our collective beach. | 8/31/2021 1:17 PM |
| 199 | I think after 5pm or 6pm would be reasonable to allow non-residents to park in the resident lots. | 8/31/2021 1:14 PM |

| 223 | 8 am on weekdays? | 8/31/2021 10:52 AM |
| 224 | The 2021 parking lot rules and hours were an excellent compromise and provided resident/taxpayers an opportunity to park in the paved lots after hours in the evening while allowing non-residents access to the beach free of charge after 5:00 pm. | 8/31/2021 10:49 AM |
| 225 | With a sticker on my car I was told I couldn't park in an open lot | 8/31/2021 10:43 AM |

| 227 | Would like the beach parking lot to open at 7:30 | 8/31/2021 10:30 AM |
| 228 | I LOVE current lots reserved for residents/sticker holders! | 8/31/2021 10:24 AM |
| 229 | except that one employee didn't know the rules and was rude on top of it. I believe that was addressed though. | 8/31/2021 10:23 AM |
| 230 | Disappointed that cabana lot not open to non cabana friends after 5 PM | 8/31/2021 10:19 AM |
| 231 | Appreciate the addition of a "waiting line" if the parking lot is full. With no waiting line you would need to continue to circle waiting for someone to leave. This was frustrating and in my opinion dangerous. | 8/31/2021 10:18 AM |
| 232 | I would rather have 'residents only' until a later time... | 8/31/2021 10:16 AM |
| 233 | Would have preferred more later open time for non-residents | 8/31/2021 10:13 AM |
| 234 | It seems excessive to have both the north and south lots be for residents only, yet so many of those "residents" have out of state cars and our neighboring towns don't have parking access. | 8/31/2021 10:13 AM |

| 1 | I believe a yearly raffle would be fair to all taxpayers for the locker/changing rooms and cabanas. I know people rent them out and make money on the taxpayers of Narragansett. That is not fair considering they are town property and not private property | 9/16/2021 11:28 AM |
| 2 | They should consider setting term limits on the cabanas and lockers so other residents have the opportunity to rent them. It's unfair for the same people to have them forever. The policies should be revised. | 9/15/2021 11:01 PM |
| 3 | I am satisfied that currently residents can keep their unit as long as they would would like and I do not support assigning units by a lottery system. However, the lease agreement still has loopholes in it which allows residents to lease units and use their transferrable passes for non-residents, as well as purchase parking for non-residents. These practices should stop to discourage residents who don't utilize their units but keep them so their non-resident family and friends can use them and their parking benefit. This may free up more units for residents. | 9/15/2021 9:14 PM |

| 7 | please do not change a thing here either despite a few on the town council looking to turn the town beach into Scarborough North which will drive a lot of ton residents away. we appreciate what we have here so much more then those who treat it like their weekend playground. there is absolutely no need to change anything with the TOWN beach. Many ask that you keep it as it is!!!! | 9/13/2021 10:26 AM |
| 8 | I would like to be able to keep my facility and continue to rent it annually. I understand there is a move to limit the number of years to rent. We came off a waitlist and didn't mind waiting to rent. Now that we are renting we would like to continue to use the facility. | 9/12/2021 5:43 PM |
| 9 | We started the leasing process by putting our name on the waitlist. Years passed and eventually we were able to lease. We love it | 9/12/2021 9:12 AM |
| 10 | I do NOT agree with the proposal of limiting the lease term limits to 5-10 years. I am aware that, at the June 14th, 2021 Narragansett Recreation Advisory Board meeting, the committee agreed that there should be term limits (5-10 years) and Steven Wright (currently on both the cabana waiting list and the NP waiting list) recommended a workshop be scheduled to propose the idea to the town council. With this issue being discussed further at the August meeting, many residents spoke stating that they (as current facility holders) had been on the waiting list for 5 years, 9 years, up to 17 years. Everyone waited! Additionally, at the June 14th meeting, Justin Skenyon noted that there are also long waiting lists for moorings in Narragansett (and that has doubled the waiting list for beach facilities). I was interested to learn that the Mooring Waitlist Application (which I found at Narragansetttri.gov/harbormaster) requires a \$50 application fee (which holds your spot on the waitlist for 3 years). It would be interesting to see if there were an application fee for the beach facilities, as well, the length of the waiting list would decrease. | 9/11/2021 9:01 AM |

| 22 | Leasing of facilities should be restricted to taxpayer. Leasing wait list should be reconciled | 9/7/2021 4:23 PM |
| 23 | The system was improved to give residents priority access several years ago. With demand greater than the number of facilities, there is an understandable wait and waiting list. All currently facility leasees have had to wait for their rental. The wait has always been very long. This has not been an issue in prior year's beach surveys. Now a Town Council member wants to make it an issue because she and her brother are on the cabana waiting list. | 9/7/2021 12:54 PM |
| 24 | I only have been leasing for three years after being on a waitlist. I don't think they should change the rules now but start with those who begin in 2022. | 9/7/2021 7:17 AM |
| 25 | Please keep current policy | 9/6/2021 7:29 PM |
| 26 | Don't know what that is | 9/6/2021 4:22 PM |
| 27 | The leasing policies have been in place for years because they are fair. If you want a facility, then you put yourself on the list. When your name comes up, you can lease if you still want to. At that point, you have been a resident for some time, which makes it fair. All people who have | 9/6/2021 2:58 PM |

2021 Narragansett Beach Survey

facilities have had to wait years for their current facility. There is no way to transfer that facility to anyone else, so there is no getting around the rules. When you no longer want it, then it goes to the highest person on the list.

| 28 | Very satisfied the way it is. I am, however, totally against putting the changing rooms on a rotating schedule. I am 70 yes old and have a back issue. I need the changing room now more than ever. Cut the waiting list off at 50 people. There is obviously a need for more changing rooms. Go up a floor and put more rooms. | 9/6/2021 11:16 AM |

| 40 | It took years to "clean things up" and now everything is running smoothly. Do not change ANYTHING. I'm a perfect example of waiting on the "Lists". Waited for changing room. Waited for cabana and took it. Held it for several years while grand kids were babies. Name came up again on changing room list and took it. Freeing up a cabana for someone else since parking and private shower were no longer important since grand kids had grown. The system WORKS. There is movement EVERY year. Keep current system in place. | 9/3/2021 4:46 PM |

| 55 | I am very satisfied with the facility leasing policy however I think everyone should have to show proof of their vaccination. Please just make sure you have strict review procedures in place because the ID cards can be faked. They shouldn't be able to "hand them down". These are people renting town property. There should be a lottery for all lockers and all cabanas. | 3 | The beach is stunning. The staff great. Need stronger policies though. Check Town of Westerly. You have to be a resident. Increase bracelet prices. There are many state beaches. This is a town beach. Thanks | | | | | 9/14/2021 10:20 PM | |

| 5 | I brought my quadrapaligic sister to the beach, she hadn't been in the ocean in 20 years since her accident. Steve Chadwick and the staff at the North Pavilion were wonderful to me starting at reserving the chair the beach has for handicap people, making sure everything was all set and Steve came over to check on us to make sure everything was fine. I also called the Park and Recs office to see about parking her handicap van in the beach lot so she could transfer from her wheelchair to the beach chair. The staff was wonderful and answered all my questions, when we pulled into the parking lot the parking attendant was totally knowledgable and directed us to a parking spot. We had a great time and my sister was thrilled to be in the ocean again! | | | | | 9/13/2021 9:30 PM | |

2021 Narragansett Beach Survey

| | | |
|----|--|--------------------|
| 6 | The beach is getting very crowded and rowdy. In the beginning of summer coolers were checked but in August saw tons of drinking on the beach. need better enforcement of our policies. need security to walk around and check for drinking, loud music and ball playing in crowded spots and not driving through once a day | 9/13/2021 2:46 PM |
| 7 | Great experience this summer with the exception of weekends which tended to be overcrowded. I especially liked the ATV police and beach patrol which seemed to keep the beach orderly. Would like the no smoking to be more severely enforced. | 9/13/2021 1:55 PM |
| 8 | Although management is excellent and really tries, there are still quality of life issues involving foul language, loud music, drinking and smoking that definitely increased as the season went on. The beach felt more crowded this year than other years. The beach keeps getting smaller yet more people live here and visit. Need to study this and maintain security allseason | 9/13/2021 1:10 PM |
| 9 | as stated above please do not allow such a minority of people, and i am talking a handful, ruin what we have here. Pugh and Cicilline have self serving reasons that affect thousands and they should not be allowed to treat out beach they way they are proposing. | 9/13/2021 10:26 AM |
| 10 | I remain concerned about the beach erosion, and the teenagers drinking, vaping, and leaving their trash behind for the staff to pick up. | 9/13/2021 10:00 AM |
| 11 | Years ago I would give 5 stars but this year the beach was very overcrowded. Narragansett Town Beach is town owned and not a public state beach. The town needs to find out the maximum number of beachgoers allowed to be one the beach for safety, efficiency, and enjoyment. We need security on the weekends at each gate and the police on atv's was great. That should continue. | 9/12/2021 9:12 AM |
| 12 | Entry onto beach needs monitoring: People jump the seawall near the Towers when it is low tide so they are they entering for free. People purposefully distract the staff at the cabana lot shed and other people run past the staff under the cabanas and enter the beach for free. | 9/11/2021 9:51 AM |
| 13 | in past years the lockers did not stick to posted hours and closed early, this year the timing was consistent and reasonable - thank you | 9/10/2021 12:33 PM |
| 14 | in past years the lockers did not stick to posted hours and closed early, this year the timing was consistent and reasonable - thank you | 9/10/2021 12:29 PM |
| 15 | I feel this should be an excellent experience but the problem is that there were too many visitors allowed. Please limit the number of daily paying visitors. | 9/9/2021 9:23 PM |
| 16 | Unfortunately the beach continues to be extremely overcrowded mostly on weekends but also sometimes during the week days. Just like going to a Celtics game, when every seat is full nomore tickets are sold. We need to determine what the appropriate number of individuals is on the beach at any given time in order to ensure everyone is safe and comfortable. With overcrowding comes fighting and inappropriate behavior. I am also concerned about the excessive amounts of people which puts our treasured lifeguards at risk. Each gate needs security on busy days, especially weekends. Having police ride up and down the beach has rectified the situation of teenage drinking to a large degree. The police presence should be continued. They should also be patrolling the beach prior to the official beach opening and afterwards to ensure we do not have another melee as we saw in May. | 9/9/2021 2:15 PM |
| 17 | This year the beach got off to a dangerous start with the fight that took place on May. Having Security personnel and the uniformed Police on an ATV had a very positive effect. Overcrowding leads to these dangerous situations. I feel that a study to determine how many people can be on the beach is needed. Inviting more people to be on the beach that the beach can realistically accommodate is reckless and does not serve the residents of Narragansett. | 9/9/2021 1:55 PM |
| 18 | The only thing that really bothers me is that children aren't allowed to play on the beach. The beach is supposed to be fun, and these young kids are getting kicked out of virtually empty areas because a few people complain. The sand in front of the cabanas does NOT belong to the people who rent the cabanas, and I don't understand why the beach staff doesn't just tell them that. We were told it was a "safety issue" when the kids were repeatedly kicked out on a day when there was almost no one at the beach. I can understand that you don't want them running around on the stairs and up and down the ramp, or climbing all over the cabanas. That makes sense. But sometimes they have to go half way to the Dunes Club to play. While my kids are older and fine on their own down there, some of the kids are little. If one of them gets hurt so far from their parents or the life guards, isn't that more of a "safety issue?" Stop | 9/8/2021 7:39 PM |

| 19 | Best beach in the state, possibly New England | 9/8/2021 7:05 PM |
| 20 | Who polices the NO DOGS ON THE BEACH rule? They don't seem to be doing their job! | 9/8/2021 6:44 PM |
| 21 | I love being on the beach! | 9/8/2021 4:43 PM |
| 22 | Too restrictive and not inclusive of NK & SK residents, the South County community is made up of several towns. | 9/8/2021 12:42 PM |
| 23 | Too busy, crowds, expensive. | 9/8/2021 11:45 AM |
| 24 | Shocked the runner was removed from the beach before the end of the season. Not having it there makes it that much more difficult to wheel buggies and carriages. That should be there, as well as outside foot washers, at least until the end of September. | 9/8/2021 10:18 AM |
| 25 | the absolute best! | 9/8/2021 9:35 AM |
| 26 | Rates are very high for walk ons. The policies were better a few yrs ago. SK residents should be given some privkedges since we keep the Narra economy going as much as narr residents do | 9/8/2021 12:07 AM |
| 27 | Too may people!!! | 9/7/2021 4:50 PM |
| 28 | Still issues with overcrowding. Gee age drinking smoking and loud music still an issue | 9/7/2021 4:23 PM |
| 29 | We invite way too many folks into the parking area after 5:00 PM which certainly makes it difficult to use the beach and parking with any enjoyment. | 9/7/2021 12:59 PM |
| 30 | The beach is well managed and the staff do an exemplary job. The reason I am not giving this a higher ranking is because of the unacceptable overcrowding on weekends. Over the last decade, with the exception of 2020, the beach has become more and more crowded on weekends. It is uncomfortable to hear the profanity and see alcohol consumption and inebriation. I often don't feel safe on the beach when it is like this. I am concerned about what would happen in an emergency. How would thousands of people get evacuated out of only a few exits? What is the maximum number of people that should be on the beach for our safety and enjoyment? During summer 2020, half the number of people were on the beach than in previous years. This worked! | 9/7/2021 12:54 PM |
| 31 | I liked having the police presence this season, and there should be better security. Also, there should be signs or some type of announcement that this beach is owned by the town and is not a public beach. If people do not want to pay the fees, they should be directed to the THREE state beaches in Narragansett. | 9/7/2021 11:05 AM |
| 32 | Beach just to crowded, many getting on the beach before it even opens which is one a loss of revenue for the town but also makes it so crowded. | 9/6/2021 8:48 PM |
| 33 | Always a couple of "situations" The active cooler checks and police vehicle were great | 9/6/2021 8:20 PM |
| 34 | Please continue to increase security such as police details/patrols as necessary. Pre season the town should be proactive to secure the beach on days on the weekends when good weather is predicted before the actual beach season has begun | 9/6/2021 7:29 PM |
| 35 | We love town beach. Please be kind to RI, non Narraganset residents. | 9/6/2021 4:22 PM |
| 36 | It would be unfair to change the leasing policies. | 9/6/2021 2:58 PM |
| 37 | This summer was an excellent experience. I would like to see the blue walkway on the beach extended. There is plenty of room, and would not go beyond the lifeguard chair. For disabled patrons especially to get on the beach. And pulling wagons or carts through the sand is difficult for anyone. I have made this suggestion for years. The lifeguards are the best. They take very good care of us. | 9/6/2021 11:16 AM |
| 38 | Do NOT like dogs on the beach!!!! | 9/6/2021 10:32 AM |
| 39 | Patrons should not be told they can't play ball at the beach. Cooler searches were ridiculous and intrusive. It's a lot to ask for older people to put down everything they are carrying and open a cooler and then be told the worker cannot touch anything in the cooler and the owner must upheave everything that was packed inside. | 9/5/2021 9:45 AM |

| 41 | too expensive, went to state beaches | 9/4/2021 6:15 PM |
| 42 | I believe the extra police presence made a huge difference this summer. | 9/4/2021 1:07 PM |
| 43 | There should be rules about how close you can sit to other people | 9/4/2021 9:45 AM |
| 44 | Everything is great. We like greater police / security prescience this year. | 9/3/2021 4:46 PM |
| 45 | Love the hydration station. | 9/3/2021 12:08 PM |
| 46 | I was very pleased to see the extra ramp part way down but I am sure a second ramp could be installed to widen it. There is room along the right side (facing the beach) that could double the width. The beach seaweed cleaning trucks don't have to go there bc the seaweed doesn't get up there. I have been watching all summer, | 9/3/2021 10:47 AM |
| 47 | You have to get the dogs off the beach, and ticket the owners | 9/3/2021 10:38 AM |
| 48 | I live in SK. I used to LOVE this beach. It was my primary beach since I was a child (now in my mid 40's). The last few years have been extremely disappointing as Narragansett discriminants more and more against Sk residents and caters to out of staters with their summer properties in gansett. Between season passes and parking issues it is not only discouraging but also challenging to enjoy this beach any longer. It is turning into a jersey shore shit show not what south county should be all about. | 9/2/2021 1:13 PM |
| 49 | Due to crowds and parking issues I only spent time at the beach in the evening this year and it was nice. You should be aware that you are driving South County people away with current parking | 9/2/2021 11:04 AM |
| 50 | Very happy overall. Would be helpful if friends of residents could get in a a slight discounted price so that I don't need to go to another beach. | 9/2/2021 9:48 AM |
| 51 | Sadly, because of the weather this summer and the overall crowds, I did not go to the beach very much this year. I walked it alot, but did not spend the day as I used to. | 9/2/2021 9:30 AM |
| 52 | The only downside is trying to attend the NOSE swims at 6pm and having to look forever for a spot when the north lot is basically empty but for taxpayers only | 9/2/2021 8:17 AM |
| 53 | See comments above about parking. The problem- and why you get so much local headache- is you create 2 groups. Resident and non. But really there is resident, neighboring, and non. There seems to me there is room for a more layered approach which might tamper the non layered responses. | 9/1/2021 10:41 PM |
| 54 | Still too crowded | 9/1/2021 8:23 PM |
| 55 | I had a good experience this year 3 out of 5 stars however when I was visiting once this year a patron there told me that sunscreen protects your skin from the sun so why can't it protect you from a virus. I thought this was very good thinking however after inhaling about three quarters of a can of sunscreen I felt very ill. | 9/1/2021 7:29 PM |
| 56 | I only use the beach for a walk. I come early so I don't have to pay the expensive rates. I'm a South Kings town resident | 9/1/2021 4:45 PM |
| 57 | 5 | 9/1/2021 3:04 PM |
| 58 | New Management Please! | 9/1/2021 2:30 PM |
| 59 | Charging money to access the shoreline goes against constitutional rights. Beach employees have no right to approach anyone entering the beach below the high tide mark. Get educated and stop restricting shoreline access. | 9/1/2021 2:08 PM |
| 60 | You should be able to walk on the beach. Not charged twice. It is public access below mhw and that needs to be allowed | 9/1/2021 1:52 PM |
| 61 | Hard to understand any of the announcements. Lifeguard chair 6 is to far north. It's like they are also watching an area not part of the town beach. It is also too far from chair 5. They should each be moved further south. I feel if swimming between the two that no lifeguard is watching. Also they do not ship the skim boarders or people playing ball even though this is not allowed in this area. When we ask the lifeguards they do nothing nor does beach | 9/1/2021 1:31 PM |

management. It's quite frustrating as with the kids throwing the skimboards, you can get hit or knocked down. It would be nice if the seaweed could be removed at the north end of the beach. It looks awful. Can't they take it away?

| 63 | I think the visitor price could increase. Same with the parking fees. If you budget to spend vacation at Narragansett, this entry price is a deal. Stay for 8 hours for \$10?! | 9/1/2021 12:23 PM |
| 64 | It was great! | 9/1/2021 11:57 AM |
| 65 | Love the actual beach. Dislike the policies and expense. | 9/1/2021 11:55 AM |
| 66 | Our town beach is beautiful but it seems to be overrun by out of towners | 9/1/2021 11:05 AM |
| 67 | The disgraceful treatment of citizens and tourists. | 9/1/2021 10:28 AM |
| 68 | I no longer go to Narragansett Beach | 9/1/2021 10:13 AM |
| 69 | the policing of NO dogs and NO smoking still needs attention | 9/1/2021 9:49 AM |
| 70 | I think the entrance fee for kids under 16 is a lot especially when they're with their parents Or an adult | 9/1/2021 9:29 AM |
| 71 | I think more control has to be taken with people playing football or frisbee on the beach. Many days there were groups of kids playing and they were not considerate of beachgoers and even though it was brought to attention of lifeguards and staff nothing was done. I'm not on the beach to have to look out for flying objects. | 9/1/2021 9:21 AM |
| 72 | Love beach, not the cost | 9/1/2021 8:44 AM |
| 73 | It used to be an excellent experience but the cost and parking restrictions pretty much ruined it | 9/1/2021 8:30 AM |
| 74 | Would have been nice if we could have parked in one of your empty lots. | 9/1/2021 7:47 AM |
| 75 | I was harassed a few times by the beach patrol because my 7&8 yr olds were playing in the sand and a cranky cabana lady complained. Please note the children were at least a 100yds from her and not bothering anyone, just sitting and playing. | 9/1/2021 7:46 AM |
| 76 | Parking is what makes this 4 stars | 9/1/2021 7:35 AM |
| 77 | Continue to open beach at 7:30 on weekends to reduce free loaders and provide beach income. | 9/1/2021 7:06 AM |
| 78 | I come after 5pm. | 9/1/2021 6:54 AM |
| 79 | The policies of exclusion put into place by the town towards non-residents, even from neighboring SK mean I won't go to Narragansett beach during the day anymore. It's a real shame as that is my favorite beach. | 9/1/2021 6:54 AM |
| 80 | There should be a path or roped off area from the pavilion to the water. Since the lifeguard stand was moved it is very difficult to get to the water with carts | 9/1/2021 6:46 AM |
| 81 | it seems more controlled this year | 9/1/2021 5:54 AM |
| 82 | Lifeguards are awesome! | 9/1/2021 4:43 AM |
| 83 | The movie nights at the beach are stellar-thank you! The bands on Monday evenings are too loud and we would appreciate no music during September; please allow for quiet use of the beach post season as it is the only time many of us, as residents, truly enjoy our beach. The pot smoking and vaping at the left of the Cabanas continues to diminish our ability to relax, breathe and enjoy our Town Beach. There is no enforcement of no smoking by beach staff. The beach is well managed and the staff is to be commended. The beach is clean but we would like to see citations issued to rowdy youths who trash the beach near the cabanas. More patrolling may help. We were thrilled to see the Dune Buggy Police Patrols this year. They do make a difference and we are so appreciative of this effort. Thank you! | 9/1/2021 3:19 AM |
| 84 | I live in Charlestown and our town beaches are free to walk on as it should be. Also the lots are open to all as it should be. If you are thinking, then stay in Charlestown.... It is nice to enjoy other beaches in this ocean state and I wish I could do so more freely. | 8/31/2021 10:37 PM |
| 85 | No more evenings on the beach as in years past. Town has gotten too greedy with parking | 8/31/2021 10:29 PM |

| 95 | It is the best beach in RI but its a shame locals can't use it I definitely support Narragansett financially. | 8/31/2021 8:14 PM |
| 96 | I feel you should offer military discounts to residents/non residents. | 8/31/2021 8:07 PM |
| 97 | It's unacceptable to tell kids they can't play ball up near the cabanas when no one or very few are sitting up there. They're good at keeping away from other patrons and never hit anyone with a ball, yet they were consistently shooed away because cranks were "worried" they "might" get hit at some indeterminate point in the future. Let the kids have fun if they aren't hurting/bothering anyone, that's why they're there. | 8/31/2021 7:57 PM |
| 98 | But a lonely one since it so expensive and costly to host family and friends. | 8/31/2021 7:53 PM |

| 101 | Like that it wasn't as over crowded as last year. | 8/31/2021 7:10 PM |
| 102 | Still to many playing ball and using skim boards in front of life guards and only with my complaining did life guards asking them to stop. I don't feel life guards know what rules are or they just let kids get away with what ever they want. I understand any thing behind life guards is beach management jurisdiction but anything in front or beside lifeguards is there responsibility. | 8/31/2021 7:02 PM |
| 103 | We watch several people jump off the wall onto the beach. We approached the "security staff" asking if they monitored or did anything about the jumpers. The 2 young men said their job was to watch the cash box. They were disappointing and previously the young people shared that they try to monitor the wall. We need to be better with this. The customer service was really poor with these 2 young men. | 8/31/2021 6:36 PM |
| 104 | Beautiful beach, please ensure the publicly-owned portion can continue to be enjoyed by all Rhode Islanders. Coastal access is NOT exclusively a local issue per courts. Think holistically about coastal access across Narragansett rather than ignoring the goals of the Harbor Mgt Plan. Keep your coastal access committee in place. They've already done great things. | 8/31/2021 5:41 PM |
| 105 | No experience, as I do not attend due to overwhelming overcrowding , 6 SUMMERS s of being pushed off my TOWN BEACH | 8/31/2021 5:30 PM |
| 106 | I swim even when cold and overcast, and need to use the outdoor showers after my swim. On some occasions, the outdoor showers were not operating in such weather conditions. | 8/31/2021 5:27 PM |
| 107 | Due to shifting of life guard chairs there is no easy access to the north pavilion on busey days. we should rope off a designate lane for access and handicap. | 8/31/2021 5:26 PM |
| 108 | The fact that "rule breakers" such as those playing ball in non designated areas were not corrected by staff (esp. lifeguards)-playing areas (near swimmers, on top of other beachgoees) | 8/31/2021 5:12 PM |

| 133 | I have one complaint. In past seasons, lifeguard chair #5 was located straight down from the Pavillion blue walk way. This meant that folks walking left or right would go straight to the water line and then head left or right to their preferred location. By relocating Chair 5, you have caused people to meander through ther crowd in a very disruptive way, in addition to creating a cluttered walk way for the elderly and less mobile folks. Please reconsider this for next year!!! | 8/31/2021 11:47 AM |
| 134 | it would have been 5 stars but there was little attempt to stop ball playing in and around the water and a few times we ended up around blaring radios. | 8/31/2021 11:38 AM |

| 155 | I dread the return of the dogs, it ruins the September and October beach experience. | 8/31/2021 10:06 AM |
| 156 | As a resident, the beach is great. Love it. It is well groomed and clean, and most days there is enough parking. Staff are welcoming and the atmosphere is relaxing. For my family/friends that are not residents, its too expensive - parking plus admission onto the beach adds up quickly for a family of 4. We go to state beaches (Sand Hill) when they come down. I suppose this is by design in order to limit overcrowding, and I appreciate that residents get preferred treatment, as they should...town resident = town beach. | 8/31/2021 10:06 AM |

| 167 | My only complaint is after 6 pm rules are not followed. I've had to move due to cigar smoke and dogs arrive with people even though they're not allowed May-Sept. | 8/31/2021 9:39 AM |
| 168 | Keeping the bathrooms locked until the beach opens is RIDICULOUS!!! We taxpayers walk the beach in the morning. That seems more of a Power move. | 8/31/2021 9:34 AM |
| 169 | The only complaint that I have is cabana people yelling at my young children that they can't play on the beach in front of cabanas. | 8/31/2021 9:33 AM |
| 170 | My only comment is I think they give the surfers way too much space, especially in day when there are little or no waves and few surfers | 8/31/2021 9:28 AM |

| 10 | I don't usually tell people to come - for it's a parking nightmare - costly - and the walk on fee is nuts. So - if they aren't riding with me - I don't really tell people to come. | 9/9/2021 10:01 PM |
| 11 | I would recommend this wonderful beach to residents and taxpayer first with limited visitor access. | 9/9/2021 9:23 PM |
| 12 | The town beach is already crowded enough. Why would we as a town want to destroy such a natural resource by overpopulating it. It is not in the resident's best interest to use our town beach constantly in order to draw tourists to our town. The residents are so unhappy with the congestion at the pier and all of the numerous activities that go on day and night. Ask any resident what their favorite day of the year is and they say Labor Day because we no longer have to put up with constant congestion throughout our town. It is overdone!!! Activities must be scaled back. Our infrastructure cannot support all of these activities and excessive amounts of people in our area. On June 1st of each year we have an outdoor water ban! Scarborough has been closed often this summer due to high bacteria. The water in town is not safe to drink. The car accidents are on the rise. Traffic on Ocean Rd and Rt 108 are completely jammed ALL the time. On and on I could go. Please let's not destroy the natural beauty we all cherish!!!! | 9/9/2021 2:15 PM |
| 13 | I would like to keep the beach as peaceful and tranquil as possible should be the goal, exploiting the beauty of the beach for profit, political purposes/causes or any other reason will be detrimental in the long run. | 9/9/2021 1:55 PM |
| 14 | It's already too crowded with out of town folks. There should be a limit to the amount of daily non-residents/taxpayers. | 9/9/2021 11:26 AM |
| 15 | We welcome non residents to the town beach, however it is A TOWN BEACH, not public as Jesse Pugh states. Residents enjoyment of a safe and non crowded beach should be the town's priority NOT keeping rates low so on residents save money | 9/9/2021 10:07 AM |
| 16 | The May incident at the cabanas was entirely predictable by observing the beach by 9am that day. NPD should have a much more prominent presence on the beach and directing traffic in the parking lots on hot weekends in May and September | 9/8/2021 7:05 PM |
| 17 | I would recommend the NTB to others, but mostly if they are Narragansett residents. | 9/8/2021 4:43 PM |
| 18 | Expensive and there are nicer beaches. Staff is visible but only a few seem to work. | 9/8/2021 11:45 AM |
| 19 | We have always loved Town Beach but the last few years it has gone down hill. It has gotten so crowded with non paying people who sneak in before hours and the parking lot is open to everyone too soon. | 9/8/2021 10:18 AM |
| 20 | Very happy but don't want more people there =) | 9/8/2021 8:50 AM |
| 21 | Overall, very good. Every single employee (inc. Manager) or service staff should be parking in West Lot as there were times that there was no resident parking available | 9/8/2021 8:47 AM |
| 22 | We have too many patrons already. Tjis is a town beach, but we are inundated by out-of-town visitors. | 9/8/2021 12:16 AM |
| 23 | LOVE the beach but wouldn't recommend as it's too expensive if you are not a resident. | 9/8/2021 12:07 AM |
| 24 | The beach itself is well-maintained and the water is nice. But staff at the beach office is rude (and has been for the last several years), and the parking restrictions for non residents are ridiculous. | 9/7/2021 11:16 PM |
| 25 | It is too expensive for non-residents to go to the beach. The cost for admission plus the cost for parking makes it prohibitive | 9/7/2021 8:34 PM |
| 26 | Would advise them not to go on weekends or very early in the AM | 9/7/2021 4:50 PM |

environment. The town council seems to want the beach to be a state or county beach. This is not acceptable to me or potential buyers. More full time residents are moving in and the town must accommodate the mentality that it is a town not a county or state beach.

|----|---|-------------------|
| 28 | Why, as a taxpaying resident would we talk up our town beach to more people so we can keep addin to the overcrowding problem? | 9/7/2021 12:59 PM |
| 29 | I am only neutral on this because of overcrowding. | 9/7/2021 12:54 PM |
| 30 | But pricey for non residents who have to park and pay to walk on. Would be nice to see a discount if you pay to park maybe half price to walk on ? For driver at least? | 9/7/2021 10:54 AM |
| 31 | Not likely as I don't want it overrun | 9/7/2021 9:10 AM |
| 32 | Too crowded. To political. One current town council member thinks it's her re - election season every day. Kind hard to get away from it all when that happens. Also concerning is the amount of alcohol allowed on the beach and the vaping of marijuana as well. Realize they are both legal but against Town Beach policy. Back in the day you'd be surrounded by cigarette smokers. Not any more. Weekends are difficult to enjoy. Weekdays are better at times. | 9/7/2021 7:56 AM |
| 33 | there are many beaches to choose from in RI - it all depends on the person's needs - Narragansett Beach IS EXPENSIVE to bring non-residents on the beach for a day - 2 people at \$24 for 3 hours. | 9/7/2021 7:27 AM |
| 34 | Daily admission is too high | 9/6/2021 10:03 PM |
| 35 | Thanks for a wonderful season!! | 9/6/2021 8:20 PM |
| 36 | All responsible town residents should take priority on our town beach | 9/6/2021 7:29 PM |
| 37 | Stop people from entering without paying. Easily done by beach patrol seeing that all beach goers have beach pass or bracelet. If no bracelet give them opportunity to go purchase one or leave. This should be part of their job. | 9/6/2021 5:13 PM |
| 38 | I purchased an extra pass to bring a friend. I feel the beach is very crowded and the number of people on the beach should be people per sq foot. I also know people who create their own passes and put in in a lance and just walk in all summer.They drop off folks and one member of the group drive to the elementary school..parks the car and takes off a bike from his rack and rides back to the beach and puts the bike on the rack. When read to leave reverses the process. | 9/5/2021 8:26 PM |
| 39 | Favorite beach | 9/5/2021 11:29 AM |
| 40 | I'd warn anyone that they'd need to be prepared to put your armload of beach stuff down and allow a cooler search and then have to pick everything up AGAIN to get onto the beach... and i would warn them that the announcements for "no ball playing " and "no smoking or drinking " are loud and way too frequent | 9/5/2021 9:45 AM |
| 41 | What would I be recommending that they come to the beach ? | 9/5/2021 1:52 AM |
| 42 | I love our town beach! | 9/4/2021 9:23 PM |
| 43 | However, the guest passes residents can purchase are expensive so for friends to pay daily admission it is expensive. | 9/4/2021 7:12 PM |
| 44 | too expensive, go to state beaches | 9/4/2021 6:15 PM |
| 45 | Too many people already . | 9/4/2021 5:38 PM |
| 46 | Unless they live here I can't see paying all the fees to get on the beach when there are very close by alternatives | 9/4/2021 1:07 PM |
| 47 | If they are a taxpayer, they will most likely use the beach. If they're not a taxpayer, why would I recommend it? They can't get a pass. It would be too expensive to pay daily. I use the state beaches when my family visits. It's too costly to take people to town beach. | 9/4/2021 12:25 PM |
| 48 | i would for resident/property owners. too many out of town people think Narragansett beach is a STATE beach. they feel it is their right to go to our beach when in fact it is a privilege we extent to our guests. | 9/4/2021 10:44 AM |
| 49 | I never recommend because I do not want others to come | 9/4/2021 9:45 AM |

| 50 | Have lived here my entire life....this year the lifeguards were fine & beach looked nice - beyond that - no one went out of their way. Meh. If you want a better answer...either do better to focus on providing a service & good environment- or don't ask. No one there even tries to be friendly to families, elderly etc...lifeguard (top around) should act like mentors maybe? Not like supermodels. Say HELLO - SAY HOW ARE YOU? Same to gate staff. It isn't hard to be nice . Putting 2-3 teens checking passes - they don't even acknowledge people when they walk in... no 'have fun' 'have a good day' or 'big waves, be careful' nothing. Ok. That's all. | 9/4/2021 2:24 AM |
| 51 | It is very unwelcoming to tourists and guests of resident taxpayers. I been to some of the most beautiful beaches in the country, this beach is tremendously overpriced, underwhelming, and just poorly developed in it's antiquated practices. | 9/4/2021 12:19 AM |
| 52 | If you are not a resident it is becoming increasingly expensive and difficult to access the Town Beach. The beach is for everyone and individuals should not be excluded overtly. | 9/3/2021 12:08 PM |
| 53 | For selfish reasons I always tell people to go to another beach :) | 9/3/2021 10:38 AM |
| 54 | Residents only. Increase the fee for non- residents. | 9/3/2021 9:05 AM |
| 55 | TOO EXPENSIVE, ELITIST BEACH | 9/3/2021 7:09 AM |
| 56 | Expensive | 9/3/2021 3:10 AM |
| 57 | Guests are too expensive. | 9/2/2021 8:59 PM |
| 58 | During busy times when cars without a sticker pull into the lot attendants should have them pull around and head towards the exit first THEN give information. When they give information as the car pulls into the lot it causes a dangerous back up onto the road. | 9/2/2021 8:44 PM |
| 59 | This should not be a question. Everyone knows this is the best beach in RI and we LOVE that it favors Narragansett residents. Therefore its hard to recommend a beach to a friend/family that is not (easily) accessible to them (and we like it that way)!!!! | 9/2/2021 5:24 PM |
| 60 | I would definitely recommend Narragansett Town Beach to other Taxpayer/Residents. | 9/2/2021 4:55 PM |
| 61 | very unlikely but if you asked me 5 years ago it would have been the only beach I would have recommended. The town is destroying this for others even those that live 5 minutes away year round despite the zipcode being 02879 instead of 02882. | 9/2/2021 1:13 PM |
| 62 | I would only recommend it to people who are residents of the town. | 9/2/2021 11:05 AM |
| 63 | If they want to arrive at 7:30am or spend a lot of time searching for parking then sure, it's a nice beach but not sure it's worth the hassle if you'd are coming from a distance. | 9/2/2021 11:04 AM |
| 64 | only recommend to family and best friends. prefer to keep the beach crowds to a minimum. Like the policies that are keeping more for town residents | 9/2/2021 7:38 AM |
| 65 | You can't beet this town beach | 9/2/2021 7:13 AM |
| 66 | Pretty sad and disturbing to watch people lug their belongings and families through the roads to the empty parking lot. | 9/2/2021 6:37 AM |
| 67 | prefer not to have even more people attend this beach; don't want to promote over crowding | 9/2/2021 5:09 AM |
| 68 | NTB should be more accessible to non residents, as much of the town's businesses rely on nonresident visitors. | 9/1/2021 11:20 PM |
| 69 | This north lot closed til 8 has created an (self-inflicted) unsafe situation in the south lot. It makes no sense. And honestly doesn't seem to lighten the load of people on the beach either? Create an economic gateway for your neighbors to access the beach. Just like there is a gateway for you with the trash center. ;) | 9/1/2021 10:41 PM |
| 70 | Too expensive | 9/1/2021 9:47 PM |
| 71 | The large cards are a deterrent. | 9/1/2021 9:33 PM |
| 72 | The Narragansett Town Beach is in my opinion the finest beach facility in the State of RI. Great sand, great waves, best lifeguards and the beach staff is excellent . | 9/1/2021 9:11 PM |
| 73 | Too crowded year after year | 9/1/2021 8:23 PM |

| 75 | But the parking is ridiculous and the daily rate is crazy. Only way to make it worth it is to go before or after the hours that they charge | 9/1/2021 8:18 PM |
| 76 | I would be very likely to recommend the beach to a friend. It is much better than visiting the dirty disgusting library in this town I really think we need to upgrade it to a brand new multimillion dollar one because the current one made me sick. I don't think this is a burden for the taxpayer unless the taxpayer is low income but I guess we should probably form a new committee in town to add affordable housing for low income people so they can better afford their taxes. | 9/1/2021 7:29 PM |

| 80 | I recommend with the warning - you have to pay to park and pay to walk on the beach. Response is always "WHAT???" | 9/1/2021 2:00 PM |
| 81 | We appreciate all the hard work of the beach staff and we enjoyed attending some of the outdoor concerts. Perhaps hiring bands with more current music would attract a greater span of age groups to these events. | 9/1/2021 1:50 PM |

| 86 | We enjoy our time at NTB but there are lots of beautiful beaches in RI that are less restrictive. | 9/1/2021 12:44 PM |
| 87 | Social Media has ruined. I won't tell anyone about it anymore. Want it for ourselves. Sorry. Too overcrowded. | 9/1/2021 12:28 PM |
| 88 | One suggestion: everyone seems to be using those beach wagons. The blue walkway used to be lined up with Chair 5 so that you rolled down and went right onto the hard sand to "roll" (right by the empty space of the Chair. Now people pile up at the end of the walkway and wagons are weaving and dodging blankets. Line up the blue walkway with a life guard chair | 9/1/2021 12:23 PM |
| 89 | Very likely! | 9/1/2021 11:57 AM |
| 90 | Would love the beach to be for residents only | 9/1/2021 11:55 AM |
| 91 | Nice beach, difficult to access and expensive | 9/1/2021 11:55 AM |

| 93 | Friends & family love the cleanliness and welcoming atmosphere | 9/1/2021 11:32 AM |
| 94 | Hands-down, the best water quality of anywhere in RI. Just wish it would be a little more affordable/accessible to Rhode Island residents that may not reside in Narragansett. | 9/1/2021 11:31 AM |
| 95 | Too crowded already. | 9/1/2021 11:20 AM |
| 96 | As above too crowded with outsiders | 9/1/2021 11:05 AM |

|-----|--|--------------------|
| 102 | Beach is great - concerned with it being too popular with non-residents and it becoming too crowded. Tough balance. | 9/1/2021 9:03 AM |
| 103 | Sorry but if you don't own property in Narragansett you should not be allowed at this beach. | 9/1/2021 9:00 AM |
| 104 | Too expensive/hard to access for non-residents. | 9/1/2021 8:42 AM |
| 105 | It's not very convenient to anyone that is not a town resident, and not convenient for patrons of businesses that use the beach. | 9/1/2021 8:34 AM |
| 106 | Unlikely, again because of the cost and parking issues. I have so many fond memories from the mid-00's when it was affordable and accessible but now I recommend people to free beaches instead | 9/1/2021 8:30 AM |
| 107 | It's not worth it. Parking for non town residents is awful. Should spend your money elsewhere. | 9/1/2021 8:25 AM |
| 108 | I love our beach the town should pay more attention to beach erosion from storms or we won't have the beautiful beach we have! | 9/1/2021 8:21 AM |
| 109 | Very expensive | 9/1/2021 7:59 AM |
| 110 | Friends and family who liv just over the border, or coming to visit should not have to pay so much to access our beach. I would not recommend because of this. should not | 9/1/2021 7:35 AM |
| 111 | We live just over the town line. Few up going to this beach. Now it's so insanely expensive we wont be back. It's a shame. | 9/1/2021 7:12 AM |
| 112 | The Pier is still the best beach and the lifeguards are very polite and helpful. Allan Carter. | 9/1/2021 6:54 AM |
| 113 | It has become too snotty and the town has treated non- residents poorly for too many years. It never used to be this way, as a teenager I went all the time with a very reasonably priced non-resident season pass. | 9/1/2021 6:54 AM |
| 114 | Neutral due high cost of parking and daily walk on fees if not a resident. | 9/1/2021 6:43 AM |
| 115 | Many days very crowded but staff dies a great jjob | 9/1/2021 6:19 AM |
| 116 | with limitation, want to keep beach safe for all | 9/1/2021 5:54 AM |
| 117 | Getting very expensive. \$12 to walk on the each seems too much. | 9/1/2021 5:53 AM |
| 118 | As stated, SK full time residents are treated as second class citizens instead of neighbors. Narr and SK share so many resources between the two towns but the sharing stops at the beach. I think it is unfair that some sort of reciprocity agreement doesn't extend to the SK population. Narr seems to care more about pleasing their NY and CT counterparts than their own neighbors next door. | 9/1/2021 5:14 AM |
| 119 | There is no parking for non residents so it is quite challenging to 'invite' friends to the beach. | 9/1/2021 3:19 AM |
| 120 | you need to limit number of people on beach. don't allow dogs in off season | 8/31/2021 11:54 PM |
| 121 | If my friends don't live here I would say don't come there is no where to park if your not a resident | 8/31/2021 11:48 PM |
| 122 | I wouldn't recommend it because it is already too crowded | 8/31/2021 10:43 PM |
| 123 | Great beach, real pain in the ass to go to if you aren't a resident. | 8/31/2021 10:23 PM |
| 124 | Will tell them it's the best beach in Narragansett, but it's expensive for day trippers! | 8/31/2021 10:18 PM |
| 125 | Best beach in the northeast! | 8/31/2021 10:14 PM |
| 126 | Whenever friend or family come for the first time they love all the beach has to offer. The increase in price has helped to keep the crowds down and attract people who care of a pleasant beach experience. | 8/31/2021 10:06 PM |
| 127 | Nice beach, but way too expensive to recommend to people. I always warn about the price and recommend other options. | 8/31/2021 9:27 PM |
| 128 | Too many issues | 8/31/2021 9:22 PM |
| 129 | Other beaches are much less crowded and less expensive and nicer | 8/31/2021 9:19 PM |

| 130 | i have to pay to watch my grandkids take surfing lessons that i paid for??? | 8/31/2021 9:09 PM |
| 131 | Much much too crowded to really enjoy a day. | 8/31/2021 8:58 PM |
| 132 | Like the beach but not friendly to people from SK | 8/31/2021 8:55 PM |
| 133 | The beach is fabulous but is too crowded ; I feel it should be for town residents only | 8/31/2021 8:42 PM |
| 134 | Limited access... | 8/31/2021 8:21 PM |
| 135 | I do not make recommendations. | 8/31/2021 8:20 PM |
| 136 | very likely, but I like it to remain uncrowded and not abused by non residents. | 8/31/2021 8:07 PM |
| 137 | But why bother if they can't get a pass. | 8/31/2021 7:51 PM |
| 138 | With the lifeguard chairs being moved this year the blue walk way was a lot harder to navigate. When you have beach carts and wagons, strollers it was difficult to make it around people who sat right at the end of the blue walk way. I wish the walkway would go down further to accommodate strollers and disabled. | 8/31/2021 7:45 PM |
| 139 | I pretty much feel that it is a town beach and not a state beach | 8/31/2021 7:10 PM |
| 140 | I absolutely love Narragansett beach but I do not want it opened to outsiders. | 8/31/2021 7:02 PM |
| 141 | They can't park anywhere | 8/31/2021 6:50 PM |
| 142 | If you're not a resident, parking is difficult. | 8/31/2021 6:36 PM |
| 143 | But keep the parking limited | 8/31/2021 6:16 PM |
| 144 | I love our beach! | 8/31/2021 6:14 PM |
| 145 | Stop charging Rhode Islanders to access our coastline! It's our constitutional right. Paying to park is already outrageous enough, let alone paying to walk onto the beach. | 8/31/2021 6:05 PM |
| 146 | Please respect the access goals in your town Harbor Management Plan. Current TC was wise to stand up a Coastal Access Improvement Committee in spite of pushback. Be an example for the Ocean State. | 8/31/2021 5:41 PM |
| 147 | To a town resident. | 8/31/2021 5:31 PM |
| 148 | Cost to park and per person keeps town beach nice - with guests would suggest state beach with only a parking fee | 8/31/2021 5:30 PM |
| 149 | It has become a zoo free for all , everyone but RESIDENTS have access , There is plenty of shore access in Narragansett, via STATE BEACHES , THIS IS A "TOWN" BEACH | 8/31/2021 5:30 PM |
| 150 | only if they are residents, or otherwise can afford the fees to daytrip with their families with the | 8/31/2021 5:12 PM |
| 151 | don't need any more beachgoers. ha ha | 8/31/2021 5:01 PM |
| 152 | I would not recommend Narragansett TOWN beach because it is so crowded already. I would happily recommend to THREE other beaches that are available to out of towners | 8/31/2021 4:59 PM |
| 153 | Best beach in Rhode Island! | 8/31/2021 4:29 PM |
| 154 | Never! | 8/31/2021 4:27 PM |
| 155 | Unless they are Narragansett residents, we'd prefer they went elsewhere. Town beach. Not state beach! | 8/31/2021 4:19 PM |
| 156 | We have the most beautiful beach, facilities and staff | 8/31/2021 4:07 PM |
| 157 | Narr town beach is getting so crowded it is hard to recommend to others - I only go late in the day otherwise too crowded- people put up very large tents and take a lot of space | 8/31/2021 4:03 PM |
| 158 | Why would i recommend it to an out of town friend or colleagues?? It's nearly impossible for them to park and then it costs them a small fortune to get on. | 8/31/2021 3:59 PM |
| 159 | Clean, safe, friendly could be be more diverse but think that is our demographic in NE so probably ok thank you for asking. I heard the music was great (I was unable to attend on Fri) | 8/31/2021 3:40 PM |

| 160 | Neutral due to costs | 8/31/2021 3:36 PM |
| 161 | I don't like the idea of extending beach parking and passes to out of town residents., like SK. They have their own beaches | 8/31/2021 3:10 PM |
| 162 | Too crowded | 8/31/2021 3:05 PM |
| 163 | Too crowded now. Why would you encourage more people? | 8/31/2021 3:04 PM |
| 164 | Just earn regarding cost to walk on beach | 8/31/2021 3:03 PM |
| 165 | Overpriced | 8/31/2021 3:03 PM |
| 166 | I am selecting neutral only because beach does not need any more people on it. It's inundated as it is now. | 8/31/2021 2:52 PM |
| 167 | Too crowded | 8/31/2021 2:52 PM |
| 168 | If they came as a guest | 8/31/2021 2:47 PM |
| 169 | Too many people | 8/31/2021 2:44 PM |
| 170 | too crowded | 8/31/2021 2:44 PM |
| 171 | Too many rules, too expensive | 8/31/2021 2:44 PM |
| 172 | Access is a huge problem. | 8/31/2021 2:37 PM |
| 173 | I would hate for others to travel to such a beautiful beach only to be turned away due to a lack of parking, while resident only lots sit half empty. | 8/31/2021 2:33 PM |
| 174 | Too expensive, RI residents have a constitutional right to walk, fish and gather seaweed free of charge.beach free of charge | 8/31/2021 2:33 PM |
| 175 | I love my NTB! Thanks for a terrific summer | 8/31/2021 2:29 PM |
| 176 | I would only recommend to our town residence. We do not need non residence invading our town beach | 8/31/2021 2:19 PM |
| 177 | Have loved the beach for the past 30 years. I think we allow others to play the music too loud, still to much ballplaying and inconsistent enforcement. Occasional drinking and smoking that never gets addressed. | 8/31/2021 2:08 PM |
| 178 | Best beach in ri | 8/31/2021 2:04 PM |
| 179 | Would recommend if they didn't have to pay | 8/31/2021 1:59 PM |
| 180 | except we don't want it to be TOO crowded! | 8/31/2021 1:02 PM |
| 181 | too many people there already; would not recommend | 8/31/2021 12:16 PM |
| 182 | Great beach but becoming more crowded each year either tourists ☹ | 8/31/2021 12:15 PM |
| 183 | unless they live here, its pointless, too cumbersome to attend | 8/31/2021 12:09 PM |
| 184 | Difficult to get on for a non resident. | 8/31/2021 12:06 PM |
| 185 | It's the best beach in the state. | 8/31/2021 11:59 AM |
| 186 | very likely if it is not too crowded | 8/31/2021 11:56 AM |
| 187 | Would not recommend! The less that know about this beach the better for those of us who enjoy it! | 8/31/2021 11:47 AM |
| 188 | Unlikely unless policy is changed to welcome visitors | 8/31/2021 11:43 AM |
| 189 | Hard to recommend with the high price- | 8/31/2021 11:17 AM |
| 190 | You need to watch the density of crowds as it increased this year and will in future. | 8/31/2021 11:13 AM |
| 191 | I'd prefer to keep our little piece of Paradise to ourselves!! | 8/31/2021 11:07 AM |

2021 Narragansett Beach Survey

|-----|--|--------------------|
| 192 | It is extremely expensive for non-residents. Unless I was driving them and paying for a family of 4 I would not recommend. Too bad, because it is a beautiful beach. Also, as a former non-resident I'm sorry to know that coming in the late afternoon goes beyond 5:00. It's a good time for non-residents to take advantage of our beach. Consider changing for next year because it might bring a little economic and racial diversity to our community. | 8/31/2021 11:05 AM |
| 193 | Recommend to residents only as beach is busy already | 8/31/2021 10:59 AM |
| 194 | I think our town beach, should be exactly that - Narragansett Town Beach. As a resident that supports the community all year long, I believe myself and other full time residents should have first priority. Period. There are enough state beaches in the immediate area to accommodate non-Narragansett residents. Thank you. | 8/31/2021 10:45 AM |
| 195 | How to I recommend the beach when I pay for passes ans parking and I can't get on the beach, and when I finally do it's dirty, over packed and fights are happening? I am embarrassed of my town. I truly feel all, no matter where they live should enjoy our beach but when I can't enjoy it I can't recommend it. We need to do better | 8/31/2021 10:43 AM |
| 196 | Expensive for non residents. Best beach by far but to some that may not matter | 8/31/2021 10:40 AM |
| 197 | I love it, but want less people here, so shhhhh | 8/31/2021 10:38 AM |
| 198 | No need for more outsiders | 8/31/2021 10:33 AM |
| 199 | Not Likely! Crowded enough! | 8/31/2021 10:22 AM |
| 200 | Great beach | 8/31/2021 10:18 AM |
| 201 | However, it was too crowded on weekends. I would prefer you double the cost for non residents and even if you get half the number of non-residents, you would still have same revenue. | 8/31/2021 10:16 AM |
| 202 | I love our beach - and I don't mind sharing with non-residents. Please don't make it too expensive for visitors. | 8/31/2021 10:11 AM |
| 203 | As always, a great summer with great facilities and designated area to surf. Wonderful time with kids and friends. Can't wait until next summer! | 8/31/2021 10:10 AM |
| 204 | Best RI beach! | 8/31/2021 10:10 AM |
| 205 | Such a great beach!! My summer favorite | 8/31/2021 10:07 AM |
| 206 | Would definitely recommend, except for the cost for non-residents. Has the idea of resident guest passes been considered? | 8/31/2021 10:06 AM |
| 207 | why? It is a town beach and town residents know of it. | 8/31/2021 10:00 AM |
| 208 | Very likely though I hate to increase numbers on the crowded beach. This place is the best. | 8/31/2021 9:57 AM |
| 209 | Need to keep this a secret for as long as we can ;-P | 8/31/2021 9:55 AM |
| 210 | From a quality/safety/cleanliness perspective, yes I would recommend NTB. However, the prices charged for access to the beach are insanely high. I understand there is a cost to supplying facilities and maintaining the beach's appearance, but the clear cash grab is ridiculous. Its becoming more difficult to afford the beach each year especially when you consider cost for non residence. People (no matter where they live) should be able to have access to the NTB for at a reasonable price. | 8/31/2021 9:53 AM |
| 211 | Surfers area is too large. Flags should be moved over | 8/31/2021 9:53 AM |
| 212 | Cost is too high for non-resident family members. That cost should be lowered | 8/31/2021 9:51 AM |
| 213 | K | 8/31/2021 9:51 AM |
| 214 | Extremely Likely - thank you for a great season! | 8/31/2021 9:50 AM |
| 215 | We think the policies have struck the right balance between public access and keeping the beach primarily a town beach. The capacity of the beach does not satisfy the demand for it, but overcrowding causes many problems, including safety issues. | 8/31/2021 9:49 AM |
| 216 | still too crowded | 8/31/2021 9:48 AM |
| 217 | It is expensive if you're not a town resident | 8/31/2021 9:47 AM |

2021 Narragansett Beach Survey

| 218 | Likely, but only if they were residents. Getting non-resident guests to find parking and get on the beach is a hassle, so we typically dont invite anyone | 8/31/2021 9:44 AM |
| 219 | Would like to keep the beach crowds down a bit from a residential point of view. | 8/31/2021 9:40 AM |
| 220 | Only if they were a resident. I want to avoid overcrowding | 8/31/2021 9:39 AM |
| 221 | no one checks beach passes. All the paid workers are too busy looking at the phones than to ask for your pass. | 8/31/2021 9:39 AM |
| 222 | Best beach in RI! | 8/31/2021 9:38 AM |
| 223 | We love it | 8/31/2021 9:37 AM |
| 224 | If they are a resident too expensive if not | 8/31/2021 9:35 AM |
| 225 | I would very likely recommend getting a parking pass and resident beach pass, but that's not possible for everyone | 8/31/2021 9:35 AM |
| 226 | Always loved this beautiful sandy beach. Love the night time activities. | 8/31/2021 9:35 AM |
| 227 | Love the beach! But too crowded to recommend to any more people..... | 8/31/2021 9:28 AM |
| 228 | This is our favorite beach. We appreciate taxpayers are given priority for parking. Beach can get crowded but it's lovely and staff/lifeguards are great. | 8/31/2021 9:27 AM |
| 229 | Due to limited parking, we don't recommend the beach to friends, unless they can get a parking pass (taxpayers) | 8/31/2021 9:27 AM |
| 230 | Daily fees are too expensive. | 8/31/2021 9:26 AM |
| 231 | Nice facility, expensive for non residents. | 8/31/2021 9:26 AM |
| 232 | Too many people are in this town as it is. | 8/31/2021 9:26 AM |
| 233 | I think Narragansett town beach should have more access to non-residents. | 8/31/2021 9:24 AM |
